ACADEMIC ACHIEVEMENTS

- Paper accepted by **Trail Six** (the Undergraduate Journal of Geography in UBC), to be published in the Vol.19 (2024-2025): **A Criticism of Fukushima Radioactive Water Discharge in the Lens of Environmental Justice**

PROFESSIONAL EXPERIENCE

GIS Technician, Part-time Contractor Jan 2025 – Current
Partnership for Water Sustainability in BC

- Create map and database products in preparation for Agricultural Land Use Inventories (ALUI) in select areas of British Columbia to the AgFocus system specifications provided by the B.C. Ministry of Agriculture and Food.
- Prepare agricultural water demand model (AWDM) input datasets for select areas of B.C. to specifications provided by the B.C. Ministry of Agriculture and Food.
- Conduct quality assurance on digital products and deliverables to ensure that technical standards are met; verify and check input data to ensure continuity, integrity and compliance with standards; compile, enhance, and digitize source information for the creation of various resource themes, databases, spatial products and related models.

GIS Technician Co-op Sep 2024 – Dec 2024
Ministry of Agriculture and Food, Province of British Columbia, Abbotsford, BC

- Created and maintained spatial and attribute databases used in GIS applications (ArcGIS Pro, ArcMap); updated databases as information became available; translated, integrated and manipulated data from various sources and formats to ministry standards as required.
- Conducted quality assurance on digital products and deliverables to ensure that technical standards are met; verified input data to ensure continuity, integrity and compliance with standards; compiled and digitized source information for the creation of various resource themes, databases, spatial products and related models.
- Assisted in the testing and evaluation of GIS related hardware and software.

Oral Practice Assistant (UBC Work Learn) Sep 2023 – Aug 2024
Chinese Language Program, UBC Faculty of Arts, Vancouver, BC

- Have organized and led over 20 training sessions for volunteers both in-person and virtually, imparting essential skills for conducting effective oral practice sessions with students, impacting over 80 volunteers positively.
- Facilitated and moderated oral practice materials and activities across low, moderate, and high-level Chinese language courses.
- Served as a liaison between instructors, students, and volunteers, offering support in handling unforeseen situations.
- Collaborated in-person and virtually with team members to document attendance; recorded student and volunteer performance feedback.

Client Advisor June 2021 - July 2022

Royal Bank of Canada, Surrey, BC

- Served as the initial point of contact for clients, promptly addressing client-initiated inquiries and facilitating a diverse range of financial transactions.
- Proactively engaged with clients within the branch and the community, collaborating with colleagues to offer comprehensive advice.
- Recognized sales opportunities and successfully referred 10 clients seeking advanced professional advice to appropriate colleagues.
- Verified client information, prioritizing privacy and security, while also educating clients on essential banking security measures.
- Emphasized client education and demonstrated the effective utilization of technology to enhance and personalize the overall client experience.

Shift Supervisor June 2020 – June 2021

Starbucks, Edmonton

- Provided excellent customer service to all guests.
- Assisted with new partner training by positively reinforcing successful performance and giving respectful and encouraging coaching as needed. Provided feedback to the store manager on partner performance during shifts.
- Acted as a key holder for the store, assigned duties to team members and executed store operations during scheduled shifts.
- Maintained the store and anticipated the customer's needs, driving food sales and enhancing the relationship between the store and the customers.

VOLUNTEER EXPERIENCE

Journal Editor @Trail Six | Volume 17 & 18 Dec 2022 - Apr 2024

Undergraduate Journal of Geography, UBC Geography Students' Association

- Extensively edited undergraduate student manuscripts, focusing on clarity for a wide range of audiences and quality of research with a keen eye for detail and accuracy.
- Compiled potential further qualitative and quantitative research for authorial consideration to enhance the quality of the papers.
- Created and maintained a clear editorial timeline with authors, student co-editors, and professor guest-editors.
